**Disciple:**

**What are her actions?**

**Guru:**

**Dear son, listen to her work.**

*Forgetful of the world,  
Absorbing the truth within her,  
Discerning clearly good from evil,  
Always on the good path.*

*Singing without words,  
The praise of the unsearchable thing,  
Tasting the clear unquenchable nectar,  
Unhesitatingly absorbing (it) within her heart.*

*Making compassion her home each day,  
Keeping noble deeds as her life,  
Lighting the lamp of chastity,  
Performing many a duty.*

*Fixing up untold images with clarity,*

*Accepting the Guru and his grace as divine,  
Placing her body, wealth, and life  
As a slave at the feet of her husband.*

*Conscious of her three duties,  
Of noble deeds, wealth, and offer of bliss,  
She shines praising her husband's feet.*

O dear son, her actions, just as the earth, are full of patience and peace. She accepts those who praise and those who abuse, displaying her tolerance to all living things with virtuous conduct.

Like the earth, she tolerates those who excrete and those who urinate on it, both men and cattle. She observes the peculiarities of their bodies, their bodily features and signs and endures them.

She is Manaiyal (the one who looks after the home). She does not allow her heart to meander here and there. She protects her chastity and casts her starry modest eyes at the feet of her husband, wishing that no harm should befall him - her deity.

She prays with a melting heart and always seeks protection for him. She is Manaiyal, possessing the character of the earth. She destroys maya, banishes her mental desires, and establishes compassionate kindness.

She goes to bed late and rises earlier. She bathes, polishes the floor, washes her body, and purifies her heart. She destroys deceit. She opens her eyes and rubs them on the feet of her husband.

She stands with folded arms and lights the lamp of chastity. She gets her husband to open his eyes in that light.

She is the first type of wife, my son. Did you listen, my son, gem of my eyes?

#### 4. "[Your Second Type](#)" of "[Your Wife](#)"

As

["Your fire sign"](#)

As

## **"your fire worship" (Zoroastrianism/Persia)**

The second type of wife is Manaiyaddi

I

(the one who shakes up the home).

She is the sign of fire and is evil- characterized. She cannot discriminate between right and wrong. She has no awareness of excreta and urine.

She burns each and everything within sight and reduces them into ash. She melts the rock, burns intelligence, breaks the mind, agitates the heart, burns character, brings turmoil into the family, tortures the analytical wisdom, and torches the earth.

She makes it appear as truth all the ideas that enter into her mind, whether true or false. Full of self-aggrandizement, she questions covertly,

***"Who" is better "than I"?***

This is the type of wife of the fire sign called Manaiyaddi. She behaves in various other ways to hurt the feelings of her

husband. She torments him and eventually destroys him. She has yet more characteristics.

It is this type of many charactered wife who is called Maniyaddi. Do you here my dear disciple, gem of my eyes?

5. "[Your Third Type](#)" of "[Your Wife](#)"

As

["Your air sign"](#)

As

["your air/sprits worship"](#) (Christianity)

The third type of wife is Thadiyaddi

|

(the one who causes [the stick](#) to be brandished).

She has the character of the air. She flies like the wind.

**She winks the eyes, enters all possible places, ruins the heart, causes the breath to be withheld, holds the urine, blocks the urinary passage, causes the abdomen to distend, numbs the brain, breaks the mountain, destroys the forest, makes the sea rise, breaks the house, dashes the ships, hurts the mind, diminishes judgment, stirs up the world, tests the strength, accumulates sins, and distances God.**

**She alters fate, destroys destiny, misleads man, breaks his head and puts him to death.**

**This is done by the wife with the air sign called Thadiyaddi. She looks wherever she wants to look, goes wherever she wants to go, winks whenever she wants to wink, walks whenever she wants to walk, lies down whenever she wants to lie, controls whom she can control, ruins whatever she can ruin, aims wherever she can aim, sleeps wherever she can sleep, laughs whenever she can laugh, hides wherever she can hide, wanders wherever she can wander, snatches whatever she can snatch, and sends her husband's life to the other world.**

**So does, Thadiyaddi, the wife with the Air sign. There are yet many more traits in this third type of wife .**

6. "Your Fourth Type" of "Your Wife"

"your light/senses/blood/sperm/person worship" (Islam & Judaism)

The fourth type of wife of the Water sign called Thandaddi

|

(the one who causes the club to be brandished)

|

runs over the hills and lies on valleys.

She is bound where she should be bounded, lies where she should lie, runs where she should run, rolls where she should roll, scatters where she should scatter, controls herself where she should be controlled, gets infested with worms where she should be infested, gives an offensive odor from where

such odor should emanate, leaps where she should leap, and goes wherever she has to go.

This is the wife of the fourth type, of the Water sign called Thandaddi.

Did you see the mischief of these types of wives, my son, gem of my eyes?

Disciple:

***O Guru, is there any benefit in researching into the characteristics of each type of these wives, Swami?***

**Guru:**

***Yes, there is. I shall tell you one more thing. Please listen.***

***There are names depending on the circumstances for these four types of wives. When men without wounds, itch, or boils take one of these woman, itch or boils appear on them with oozing ulcers.***

***For a man, born as human, living as human, residing as human, the first type (of wife) I mentioned earlier called the graceful Manaiyal is the real marriage. Realize this well.***

***The virtuous wife performs virtuous deeds, not deviating from the virtue of home life. (However), if this virtuous wife who loves the lives of others as her own is herself a big burden to a man, should the rest be told?***

***Son, know this with a little measure of caution and reason.***

*Further, if this same man were to marry a woman one, two, three and four times by mutual liking between man and woman, he loses his wisdom, blinds his eye, loses his discretion, emaciates his body, suffers and creates injury to his heart.*

*As a cure for that hurt he takes another wife. This becomes a second burden. A third wife is a caustic remedy for his wounded heart, and a fourth wife satisfies his ego.*

*This common factor exists for both man and woman. Will this factor bring happiness? No, it is very rare indeed!*

*Nevertheless, having ourselves caused injury to our hearts, and as a cure for it, we use caustic dressing material, and a load of caustic medicine for the wound, will we die or survive? Contemplate on this.*

**Disciple:**

All right, Swami, I understand.

People refer to "Illaram" and "Thuvawaram"

|

("married life" and "the life" of "the recluse").

Which of these is desirable?

Guru:

Listen dear.

As I said earlier,

I  
"God" is "love".

If one were to get a Manaiyal with a melting heart, who discards wealth and the pleasures of worldly life, but reveres the feet of her husband, who is absorbed in the One and Only Almighty Lord, the God without form, then in such an instance, domestic life is an ocean of bliss.

Nevertheless, this opportunity is very, very, very rare indeed!

Be what it may,

I  
"life itself"  
is

222. Reflect On Karma - karma is thought, the veil of thought which obscures the light of our wisdom, just as it covered our embryonic form

Your Shaikh says:

***My Son, the world finds it easy to go around saying, "Karma, karma", but you must reflect on this with your wisdom.***

***God has given all His wealth to man - hell and heaven, good and evil, and all His qualities. If man realizes this through his seven levels of wisdom, accepting and doing what is good while rejecting evil, there will be no karma for him. Only the resplendence of grace will dwell within him.***

***How is this? When clouds obscure the moon, not allowing its light to emerge, that is the moon's karma. But the moment the clouds disperse, we see only radiant light.***

***Like the clouds, your karma is the thing that obscures the light of your wisdom. If wisdom can make its resplendent light emerge, scattering the clouds and darkness, there will be no karma (for you), because darkness and shadows are karma.***

***When wisdom resplends without shadow as a complete light, karma will automatically recede. Then there is no longer any karma, there is only completeness.***

***You must realize what karma is. Karma is thought, the veil of thought which obscures wisdom just as it covered your embryonic form. If the light of wisdom attains completeness, karma is driven away.***

*Understand this and act accordingly, and you will shine as a true believer, a mu'mim, as the brilliant light of the sun to the world. Then neither karma nor darkness will affect you*

Bawa. So My Dearest Loving Children, In Truth **“Your Moving Forward”** In **“Your True Life”** And **“Your Moving Forward”** In **“Your False Life”** Are Both **“Tied Together”** As Now **“One”** Within **“These Truths”** of **“Your Life”**, if you like,

***“An Apple Seed” Germinates Because It Is “Buried” In “The Earth”, And It Has “The Right Combination” of “Water”, of “Heat” (Fire), and of Air Surrounding It, if you like,***

I  
That Is

“An Apple Seed” Germinates.

Bawa. Then “Your Bawa Muhaiyaddeen” (Ral.) Went On To Explain To “His Children” In Truth

“Why In Truth “An Apple Seed” Germinate”?

Bawa. Telling “His Children” At “That Time” The Following, if you like,

*"There are many different kinds of learning on this path. Some learning has to be done on the earth, some in the sea, some in the air, some in the sky. Other learning must be done within the body of man.*

*I too had to learn all this myself. I will tell you of certain experiences in my life.*

*First I had to learn about the ether, the sky, the section above the head. Ether can conceal the self.*

*There are many clouds, many colors, many hues, many suns, moons, stars, thunder and lightening, rain, gales, and storms overhead.*

*All that is above the mind is like ether. So much exists beyond the mind; there are four hundred trillion, ten thousand different sections.*

*Energies, cells, viruses, spirits, saktis, illusion, darkness, torpor - whatever is beyond the control of the mind is like the ether or sky.*

*But once you control these energies with wisdom, they become like the earth. Once you can control the thoughts of the mind, you are treading on earth.*

*If we can control what is above us and bring it under our feet, then we can learn.*

*Perrarivu is the wisdom of Plenitude. When it joins with the ruh, the soul, the ruh or soul is given Sound, and realizes Allah.*

*After that the soul always focus on Allah. All of its actions, speech, qualities, and conduct, will be that of Allah. The soul joins with Allah, takes it food from Him, and keeps on Resonating.*

*Alif by itself has no sound. Purity by itself has no sound.*

*Until the Qutbiyyat gives the soul a form, it exists as a secret. It has no form till then. When the form comes, it lodges in the qalb (in the innermost heart, the "Crystal Heart" known as*

***Ahmad, that is, the heart within the heart, or the mind within the mind).***

***Before that the soul runs all over, like the breath. People call it "life" or "soul", but the formation of the soul has not taken place. Only when Truth merges with the soul does the soul get a form. This is a great secret.***

***The Physical body functions with the three levels: feeling, awareness, and intellect.***

***The Subtle body works at the levels of judgment or estimate, and subtle wisdom.***

***(The Light Body) functions at two levels: the 6th and 7th levels of wisdom, or Divine Analytic Wisdom and Divine Luminous Wisdom, or the Qutbiyyat and the Nur).***

***(And the Power of God functions at two levels as One: God and God within God, or God and True Man, or the True Guru and the True Disciple, or the Station of Man-God/God-Man)***

***(In this way), the Qutbiyyat creates the (Body of) "Truth" and the "Body of the soul". It creates the "Body of Truth", so the***

*soul can rest in that (until it takes on the "Body of the soul", that is, until it merges with the Nur, the wisdom of Plenitude, the Essence of God, the 7th level of wisdom).*

*Even at that point (when the soul merges with the 6th level of wisdom, with the Qutbiyyat and rests for a while in the "Body of Truth", lodged in the qalb, in the innermost heart), the soul has no sound.*

*But when the Nur, the Perrarivu (the 7th level of wisdom), joins with the soul, it gives its Resplendence and Sound to the soul. When the Sound and Resplendence of the Nur come to the soul, the soul makes its connection to Allah.*

*Allah comes to the soul, and with that Sound the soul makes its connection to Allah. It converses with Allah. Then the soul is placed in the Secret Kingdom of God within your qalb (as the "Flower of the Qulb", as the 5 letter form of Al-hamd, as the Essence of the 28 letters, as the Form of the Suratal Fatihah, as the Ummul Qur'an, as the Mother of Man's wisdom).*

*Now the soul is in constant communion with Allah. It has established a connection by which it can speak to Allah. It*

*takes its food, its wisdom (consciousness) -- everything -- from Allah, and goes on Resonating the praise of Allah.*

*This is a deep and mysterious secret that man must try to understand.*

*I seek refuge in Allah from the evils of the accursed satan.*

*In the name of Allah, Most Merciful, Most Compassionate.*

***May all the peace, the beneficence, and the blessings of God be upon you. (1)***

***My brothers and sisters, let us consider once more the true meaning of Islam.***

***Islam is Allah. It is the kingdom of His qualities, His actions, His compassion, His peacefulness, and His unity.***

***Allah, not man, is the only One who can rule that kingdom.***

***With His love and compassion He is the One who protects all lives, who feeds and looks after all creations according to their needs and their hunger.***

***Allah alone rules over all that is within His realm***

***|***

- the earth***
- all the countries of the world,***
- the trees,***
- plants,***
- the houses,***
- and the heart of man.***

***Our entire life and everything that happens to us is conducted by Allah, not by us.***

***He is the One who carries out everything, He is responsible for the cause and the effect.***

***Islam is the acceptance of Allah as the Ruler over everything in all the universes. (2)***

***He is the Master of our good thoughts, our good qualities, and our good actions.***

***He is the Guide for our conscience, the One who teaches us justice and truth, compassion and unity.***

***He is the Leader of wisdom and divine knowledge. (3)***

***And it is through His peace that all hearts can obtain peace and tranquility.***

***His is the kingdom of truth.***

***That kingdom cannot be ruled by what the world today calls Islam.***

***True Islam does not mean trying to dominate the world, shouting,***

***"I am in command!"***

***In this world and the next, in birth and in death, the One alone who rules Islam is Allah. No man has the power to govern that kingdom.***

***To understand this with absolute clarity is to become His slave (4) and be filled with divine wisdom and perfect faith.***

***That is prayer.***

***To accept Allah and His pure kingdom is true Islam, the way of absolute faith, certitude, and determination (Iman), (5) the way of the kalimah (Islam). (6)***

***This is the birthright of all the children of Adam.***

***To accept Allah's words and His commands is wisdom, and to accept what He has given us is our plenitude.***

***God is Most Great! (7)***

***All praise belongs only to Him. (8 )***

***He is the One who gives us the wealth of our lives. He gives us everything.***

***The kingdom of Islam is His most benevolent, pure gift.***

***Should any man proclaim himself ruler of that pure kingdom, he will only bring about his own destruction.***

***Allah is the sole ruler, there is no one else who can do His work.***

***We, the children of Adam, who pray to God with faith and certitude, must know this with absolute clarity.***

***All praise be to God!***

***God is the Great One!***

***This is the true meaning of Islam.***

***May the peace of God be upon us. May God help us all.  
Amen.***

***Know the esteemed state of the Lone One. Use your wisdom and separate individually the six kinds of consciousness. Remove the wasteful substance and make the remedy that shows the immanent Primal Being's beauteous substance, which provides joy in this world and in the hereafter and causes the flood of compassion to beat against the shores.***

***Realize this with a melting heart. You will get rid of the sixty four evils and destroy the inherited three evils that follow you. The vast sea of sorrow will disappear. May the courageous beings read "Guru Mani" with determination.***

***O my dear children, be informed that this "Guru Mani" will reduce into matchwood the evils that follow you, and the evils that spread. It will erase the residue of committed sins. These graceful words of the Guru are ancient and glorious words. They will tear the entirety of your sins.***

***O my children, as precious to me as my eyes, learn the six tastes of the "Guru Mani". Be clarified. Be aware. Feel. Conduct yourself with enlightenment.***

***Separate each section, individually. Contemplate in solitude. Each section will reveal and illuminate the truth.***

***Kindle the light of your heart in silence. Forget yourself. Speak and lose yourself. Talking alone with intensity, say, "He is One". Your soul will elevate itself.***

***These are gracious words emerging from the tongue of humble Bawa, the unclean stinking corpse, without his will and without his knowledge. However, these are words of reason, justice, and virtue. They have the grace of the Primal One.***

***If there are any faults or flaws in these words, coming from the tongue of this humble sinful Bawa, bear with me, my brothers who read this, who listen, and who contemplate. Bear with me for the sake of the Primal One, for the sake of Allah.***

***Forgive me if there are any faults in the words, in the songs, and in the meaning of the words of this humble Bawa, the lowest of all creations, worse than the dust and the fiber through away by the Primal One. Let those who are knowledgeable correct any faults. Forgive me the wrong and accept the good. So I request.***

***My brothers who accept "Guru Mani" which this poor ignorant Bawa sang, and who read it with clarity, are the Creator's beings of grace. They are the great beings of this world. May Allah's grace be upon them.***
