Hello Louie,

It is always so nice to see you coming through the store, you are always so thoughtful and caring. I always enjoy talking with you.

Thank you for asking about my writing. The piece that I've written is a Young Adult fantasy. As I finished it I found that it is too short to be a book, and as I investigate further it appears to be too long to be published as anything else. I've actually found some literary journals that include YA writing, so I'm looking that over a little. I'm undecided, I may self-publish it or try submitting it, time will tell.

**Anyway, here it is: "Jess Laura Michael."**

**Please don't feel any pressure to read it, it is just available if you have the time or the inclination. Because I'm considering self-publishing and it is too short to be a whole book by itself, I've included some much shorter pieces that I think somehow fit well with it. If you are not up for reading "Jess Laura Michael" you might look at the last group of short pieces called "Various," which begins with a short piece called "Veins of a Leaf." That section may give you more of an idea of who I am and what I find meaningful.**

**I don't usually send such a long piece of writing to friends, I feel like it is an awful lot to ask of anyone to commit their time to. So there is no pressure from me for you to read it. However, I'm honored that you asked. If you get into it I hope that you can enjoy yourself with it. (Also, if this is in a computer format that you can't open please let me know, I can probably convert to a different file format).**

**And if you have anything that you have written I would love to read it also.**

Thanks again, I hope you and your family are enjoying this weekend...

Dave

Bawa. In Truth "All Praise Be To God And To God Alone" (Al-hamdu lillah), And In Truth "All Responsibility Is To God And To God Alone" (Tawakkul Allah). Amen (So Be It, O God of All Life).

**Bawa. Your “First Chapter” Called “Introductions are in Order” To Your Current Unpublished Book Called “Jess Laura Michael” As Part of “Your Short Writings” Collection Starts Off With “Your Introduction” To “Your Three Main Characters” In “Your Story”, That Is, of “Jess, Laura, and Michael”, if you like, As Follows.**

Jess. Jess Ferry. Jess Ferry is like the color blue, the color of her eyes, wide with wonder while searching and finding. Maybe a touch of sadness but not much room for that. Wonder, like a wide open clear sky. Blue, leading to green, so close, bursting from the leaves of the trees, and low plants, stems of flowers and grass. Blue leading to green, intensely alive, stretching into the world.

Laura is her younger sister, whom she loves. She is like yellow, a soft yellow, the color of her hair, touched with the lightest of brown. Unimposing, ever present gentleness, laughter from the smallest of things, like a hand in your own that starts you skipping, keeps you skipping like you did when you were younger...

... younger still, their brother Michael, whom they both love. Serious. Then joking. Unaware of his fragility he is into and on top

of everything, then crouching in tiny little spots, behind chairs, at the base of a doorway, half lost in the cushions of a sofa; for a moment deep in his thoughts then looking out and speaking them, no barriers, just speaking his thoughts.

*I seek refuge in Allah from the evils of the accursed satan.  
In the name of Allah, Most Merciful, Most Compassionate.*

*In the name of God, the Most Merciful and Most  
Compassionate. May all praise be for God alone.*

*May we give the entire responsibility for our lives to that one  
God who is limitless grace and incomparable love. May the  
peace of God and all His blessings fill the lives of all who may  
read this message.*

***To all who say they believe in God, please realize with your faith that God hears every word you say. God hears your every thought.***

***Realizing this, speak only what is truth and act only with God's qualities of love, compassion, justice, patience, and the realization that each life is as important as your own.***

***This is the true message within the Qur'an.***

***The Qur'an does not cause divisions among God's children. It exists to bring about brotherhood and unity. The Qur'an soothes those who weep in sorrow and gives comfort to those who suffer. To those who may be poor, it explains the bounteous wealth of God. It inspires faith in those who may not have believed in God and helps them reach a state of reverence for God.***

***Do not wave the words of the Qur'an as though they were a banner you were going to carry into battle. Do not say,***

***"The Qur'an says This and The Qur'an says That,"***

***without truly understanding the inner wisdom of God's qualities within your own life.***

***If one has faith, certitude, and determination, he will see the seed of that purity that is Islam within everything. He will see the power of Allah in every creation. Therefore, he will not discriminate against another creation or discard him.***

***Anyone who has the purity of Islam and that true faith, certitude, and determination within his heart cannot hurt the heart of another in any manner.***

***Instead, he will have the patience of God in dealing with others; he will use his gratitude to God as the strength with which to comfort others; his praise for God will be the wealth he will share with others; and his total trust in God will be his own wealth, contentment, and security. He will consider anything that does not exist as the quality of God (known in Islam as Allah's ninety-nine names or powers) as forbidden, or evil.***

***Only that which exists within those divine qualities is permissible, or good. These attributes of the grace of God are the law of the Qur'an. These divine attributes are the law***

*within the heart of one who has true faith, certitude, and determination and is truly Islam. The capture of other lives and attacks against other countries are not the law.*

*Muhammad, the Messenger of God, did not keep anything other than God. From the time of his appearance until the time he departed, the only wealth the Messenger of God displayed and the only power he showed was the wealth and the power of God's qualities of compassion and grace.*

*Children of any religion who have true faith must realize that God is the only One who knows all of everything. Therefore, only God can judge whether a person has faith, certitude, and determination or not and whether a person lives with that purity that can be called Islam or not. No one else can give that judgment. Do not wave your religion like a banner and go out to capture others.*

*Only one kind of war is permissible in the eyes of God: the war you wage within yourself to defeat the demonic forces of lust, anger, jealousy, desire for revenge, and other evil feelings and attributes that may exist within your heart.*
