"God" Is Not Bound By "Time Or Seasons"

God’s voice said,

*“When I created this beautiful form of Aatham, the father of man. Angel Iblis (Satan) became jealous and saliva oozed out of the mouth. Iblis spat this out with malice on Aatham thinking,*

*“God has created this form so very beautiful and many times more beautiful than I, who have been created out of fire.”*

*“Therefore, the dog that got created out of this spit would always be thrown out on the earth during the lifetime of the children of Aatham. Because the dog was made out of the earth pinched out of Aatham, man may touch the spot on its face just above the nose and between the eyes.*

*“The rest of the dog’s body is evil for man as it has been mixed with poison. That which is rejected by the children of Aatham shall be*

*food for the dog. It will consume human excreta and urine. It will not know how to differentiate between good and bad.*

*"Therefore, O Jibril, what was spat out on Aatham is poison which has spread into the womb. I shall eject this poison from every mother as soon as a child is born. I shall try to dissolve this poison with the Light of the Aathi Muhammad ( Primal Effulgence) and make it ineffective.*

God, after telling this to Angel Jibril, further proclaimed in a loud voice“,

*"O celestial beings, I am going to pour the “Roohu” (life ) into the body of Aatham. All of you shower the heavenly flowers.*

Saying this, He took out the “Roohu” (life) from His Grace and gazed upon it with His Eye of Grace. A star appeared and stood near Aatham.

He looked at and asked,

*“Who are you?”*

The star divided itself into seven divisions. God looked at one of the divisions and asked again,

***“Who are you?”***

**It answered,**

***“I am Your Eye of Grace!  
I am Noor Muhammad“ .***

**Then God ordered,**

***“Go and be embedded on the fore-head of Aatham.”***

**Accordingly, Noor Muhammad occupied the fore-head of Aatham. This is the eye in the fore-head, the gnana-kan (the Eye of Greater Wisdom).**

**God further gazed upon the six divisions. Six sparks fell down at His Gaze and combined into one. That substance is “Roohu” (life). The six sparks are six faces combined as One. This is called “Noor Muhammad” and is also known as Kandan, Sivam and also as Aatham.**

**God’s Gaze fell upon the six sparks combined as one which again split into six divisions.**

**God proclaimed ,**

***“With the Blessings of My Grace, I am about to admit you into the form of Aatham made of earth. You will shine as six faces and rule as six wisdoms. When you shine as One face, you will see Me. It is this that is Noor Muhammad, also known as Kandan. If you assemble as one face, you will see Me.”***

**In great agitation, the six sparks refused to enter into Aatham,**

***“O god, protect us. We do not want to enter this dirty earth-body. “***

**God answered,**

***“Hey, you are six sparks. I am sending your glory to the world to fill each life and to display it to the celestial beings, to the earth, to the trees and to everything else. But you will go into man’s body as a repugnant substance and return as such.***

***“However, I give you a remedy to remove this repugnancy. Go as one substance, exit as six, shine as six faces and if you can stand as One face, the repugnancy will completely disappear!”***

**So saying, God gazed upon them.**

The six sparks then stood up and approached the apex on the head of Aatham and fell into his fore-head, one by one, to combine as One. God gazed upon that combination.

It became life and spread through the whole body. There are many meanings to this. I am not explaining everything to you now. There is lack of time.”

**“This” is “The Life of Man”.**

As the “Roohu” (life) comes from heaven and sees the earthly body, it feels obnoxious. God had warned “life” about this!

The six sparks are the six faces or the six consciousness. Since Aatham was created with the mixture of seven metals, there are seven characters or qualities called “Abans” spread in his body. These qualities should be destroyed.

The Lord has created man in this fashion. The six organs are the inner organs of the body. All the impurities of the earth and the heavens and all the disgusting impurities of both the worlds will disappear if these six faces combine as one.

The blissful honey of Aathi (the beginning ) will pour on you, if you shine as One glittering face; love the Only One; reach the one guru;

**do his duties loyally and faithfully and live with calmness and virtuous conduct. The heavy debts of your birth will be erased off you when you consume this blissful honey.**

**Dear son, you will then be absorbed into the Grace of the Effulgent God of Blissful Grace.**

**Dear son, I shall tell you more. Listen. The beautiful body of Aatham has been created out of fifty-one letters. If you can see this with great clarity of mind, you will yourself know the greatness of each of these letters, the shape of each formation, the glitter of each letter and of the unique quality of the origin of creation. Such a man is manu-eesan, (Man-the-divine).**

**Even at this stage, you must try to reform yourself and perform your duties towards your virtuous guru (Sheikh) with diligence and hearken keenly to his words. Befriend him and merge your love with his. I say this with emphasis.**

**When you do this, you will confront many difficulties. This is not all. The world will become your enemy. Your wife and your child will become your foes. Possessions, house, mosque, temple, rights, relatives, people, brothers, mother, father, jungle, gold and many others will get together and try to kill you. You should confront all this without any discouragement.**

The animals of the four directions will come to devour you. From the north, will come the leopard, the dog and the fox crying,

***“Come! Come!”***

From the south, the scorpion, the snake and the crocodile will come creeping towards you; from the west, the elephant will come slowly trumpeting, and from the east, the bear and the rhinoceros will come crying out for you.

Son, all these lives will come laughing to drink your blood!

Be mindful of them. Be courageous. Do not get involved. Cast your eyes away from them and look only at your guru (Sheikh ). Then they will all disappear. They await the opportunity to drink you blood, if you look at them. Remember this.

C-14. So “How Do You Do” What “You Have To Do”?

|  
“How Do You”

“Become Peaceful”  
With  
“Your Ending”

“Your God” of “Your Life”

#### Disciple:

Guru leader, I know that the Guru's words spoken generally and specifically are glorious words pregnant with meaning.

It is widely said that the consolidation of the Triple Flame, comprised of these glorious magical divine gems, together make a Single-Light of Effulgence, spreading to all corners of the world as the All-Pervading Light.

Above all, the Guru's words of conclusive determination vibrate to the brim and overflow.

Please tell me which of these elements is good, and which is superior, so that the blissful secrets of the Guru leader become clear to me.

**Guru:**

O dear son, listen. I shall tell you.

The One Universal Ruler, the Glorious Divine Word of Magic, shines singly to perform with unflinching grace, His three regular functions of Creating, Sustaining, and Destroying. This is His Divine Work of glorious Magic.

In this state, even if any of His creations commits a wrong, He forgives him, shows His kindness and grace, and resides with love in his heart, enveloping all lives.

Before man becomes a *Manu-eesan* (Man-the-divine or True Man), he lives with the desire for land, woman, and gold.

These desires are intermingled in man and in every life form, and develop simultaneously, to change within one term, his state of mind, and to dishevel his character with excessive desires.

He falls into difficulties with more and more attachments. He is immersed in several sins without any fear, and forgets the Ruler of the Glorious Magic.

Therefore, his mind becomes agitated, disorganized, and bewildered. These three evil characteristics become six regiments (six separate kinds of consciousness known as: lust, hatred, miserliness, delusion, bigotry, and envy) - the six karmic forces of the mind. Eventually he becomes their victim.

Allah says that He has created man and given him the potentiality to become Man-the-divine (*Manu-eesan* or True Man).

Know this and destroy anything which obstructs this goal.

You should establish love and charity. You should step over wealth and pleasures and realize the greater happiness of bliss with God, with a clear understanding of His Glorious words. Man should transform himself into Man-the-divine (*Manu-eesan* or True Man).

The divine saying is, that,

"Birth, death, and life are in God's Hands, and that death is certain."

It is the divine truth.

To a Man-the-divine (*Manu-eesan* or True Man) these three words of God, and the words of *Aathi* (the beginning or the Primal One), are One. It shows only one place as the great palace with all its secrets.

These are the supreme words of the good Guru. This is the abode for the One with wisdom. The *Aathi's* divine word is the lamp of this abode. The light of this lamp reveals all its secrets.

O Son, this is the original divine word; the word of the *Aathi*; and the word of the enlightened Guru-leader.

These Three are the Triple Flame of *Alif*, *Laam*, and *Meem*. *Alif* depicts Allah, *Laam* depicts *Muhammad* (Sal.), and *Meem* depicts *Muhaiyaddeen* (Ral.).

This truth should be immersed and melted within you. This truth is the remedy for the virtuous.

O my dear Son, you should realize through your wisdom that land, woman, and gold, are the possessions of man who has not become a *Manu-eesan* (Man-the-divine or True Man)

My dear Son, you ask me the reward for knowing all the potentials of service to the Guru. I shall answer this. Listen.

*"There is a harbour where ships and passengers going to various countries gather. The person who sells the tickets at the harbour, should be capable of issuing tickets to suit the particular need of each passenger to the ports of different countries. If he is not competent enough to perform this task efficiently, the passengers will fall into difficulty and he himself will arouse the displeasure of those in authority who had appointed him. Similarly, those who seek the path of God need the services of a good guru-leader who will reform him, advise him correctly and guide him on the right path. He should be a guru-leader who is well versed in many fields. A guru-leader who is not capable of correct guidance will cause the wrath of God to fall upon him. He will be in the category of the sixteen types of gurus who are incapable of selling passenger-tickets to a ship. Younger brother, is it not so ? Listen carefully to what I now say.*

*Like the fruit that is concealed by the leaf, the good guru-leader hides himself. He is like the taste mixed up with the fruit. Take for example, the durian fruit, which gives out the odour of excreta in all the directions the wind blows. It is not everybody who likes this*

*fruit. Its thorns will prick you if you touch it. If you smell it, you will get the odour of excreta. A few people eat this fruit while many despise it. Its taste is known only to those who eat it. Likewise, you will not know the guru – leader judging by his external appearance or his looks. If you can control your mind with calm tranquillity and without negligence of duty, eat the fruit and savour its taste. You will know its joy, beauty and esteem within your own body. You will experience the miracles of this fruit, ( the guru-leader) within yourself.*

*Further, my son, there will be assembled in that harbour many races of people who belong to the four religions. They will stand there waiting to go to their destinations. They will speak in eighteen languages in a state of urgency and haste, inquiring, competing and moving around asking about the destinations of the ships. Simultaneously, the ship- owners will collect passengers calling them to their respective ships, “ Come to my ship ! Come to my ship!” On hearing this, if a man asks for a ticket to sail to a particular harbour, it is given to him. The passenger at the shore is not aware whether the condition of the ship is good or bad. Many passengers believe the words of the ship-owners and obtain their tickets.*

*The ship-owners acquire money and property and advance themselves. They issue the tickets and collect passengers to their ships but the passenger does not know the condition of the ships.*

*These ships have to sail through and cross over the great milky oceans called the “Saptha Samudra” ( The Seven Oceans ). On these seas will be waves and veils of mist. Some of the ships will be wrecked in the first and the second oceans. Some will go up in flames in the sea. Some will be flooded by the waves that will beat into the ships. Some of the passengers will vomit. Some will cough and others will feel dizzy and fall unconscious. In this state of suffering the passengers will panic and cry in desperation,*

**“O God!”**

*They will faint with suffering and their tongues will stammer. They will forget themselves and lose the dexterity of their hands. Their bodies will weaken and they will call out to God, “ O God, You are my refuge !” They will abuse the ship owners as the ships sink into the ocean. However, some ships will manage to sail and reach their destinations.*

*O son, take to heart carefully the lessons of the ships. These passengers bought their tickets from the same ticket-seller at the same harbour trusting the words of the ship owners. There are others who made inquiries from the ticket-seller before they*

*purchased their tickets. It is not the fault of the ticket-seller. Similarly my son, in the harbour of all religions, there are those who sell travel tickets claiming the superiority of their ships above others. They cheat the people claiming their ships are bigger than others and thereafter the passengers are drowned in the seven seas.*

*My son, do not be like these ship people. All the ticket-sellers at the harbour know the secrets of the seven oceans. They know the depth and the length of the oceans. They know the ships of the various countries and their inner secrets. My son, do not be hasty like these people. Be calm and peaceful. You should employ patience, peace and tranquillity and not fail in your duty. If you ask the ticket-seller ( guru-leader ) :*

*“ Sir, where are you going ?”*

*He will reply,*

*“ I am going to such a country.*

*I*

*Brother, where are you going ?”*

*You will then tell him you wish to go to the same country. The good ticket-seller ( guru-leader ) will be delighted and say, “ Good. I have a big ship which will sail many oceans. I am also going to the same destination as you. “ He will then take you in that ship and tell you the secrets of the other ships. He will disembark you at the country to which he himself is sailing.*

“Bruh what does all this mean?”

Bawa. And “The Answer” Is “So Very, Very, Very Simple”,

|  
“Who Your Life”  
Is  
|  
Not “Who Your You” of “Your Life”  
Is  
|

**Not “Who Your Personal Life” of “Your Mind”**

**Is**

|

**If “Your Life”**

|

**Germinates**

**To**

**“Your Truth”**

|

**of “Your Life” of “Your God”**

**Is**

**“Your God Happening”**

**Within**

Is

In Truth

“Your Apple Tree Happening”

and that is for sure. Amen.

And “Start Living

If you like,  
and that is for sure. Amen.

**Guru:**

At the beginning, when Allah wanted to create man, He first created "Aatham".

In order to create “this father”, Allah wanted a fistful of earth.

So He summoned Angel "Jibril".

Allah asked Angel Jibril to gather one fistful of earth from the four directions and bring it to Him.

In obedience to this command Angel Jibril attempted to collect some earth from the four directions.

The Earth greeted Angel Jibril,

***“Assalam Alaikum, O Jibril. In the name of God, do not take any earth from me because Allahu thalaa is going to create Aatham .***

*From Aatham He will create man who will commit sins and enter hell.*

*Therefore, I have sworn that I will not give any of my earth.”*

On hearing this, Angel Jibril flew away without taking any earth. Allah the Incomparable addressed Jibril

*“Has the Earth thus sworn?”*

Then Allah summoned Angel "Mika'il". Allah commanded Mika'il,

*“Go and gather earth from the four directions and bring one fistful of it to Me.”*

When Angel Mika'il attempted to collect the earth, again the Earth prevented it, swearing in the name of Allah.

Without uttering a single word, Angel Mika'il too flew away and returned to Allah.

Then Allah called out for Angel "Israfil". Allah commanded,

*“O Israfil, go and gather earth from the four directions and bring Me one fistful of it.*

So Angel Israfil descended to earth and tried to collect the fistful of earth. Once again, the Earth swore upon Allah and protested.

Angel Israfil returned to the heavens without the fistful of earth.

Then Allah summoned Angel "Izra'il" and commanded ,

*“Go and gather earth from the four corners and deposit one fistful of earth in the place called “Karbala”.*

Angel Izra'il immediately descended on earth and collected one fistful of earth from the four directions.

The Earth protested and said,

*“In the name of Allah do not take away my earth.”*

Angel Izra'il relied,

*“It is the same Allah on whom you swear who has commanded me to collect this earth.*

*Therefore you may go and complain to Him.*

So saying, Angel Izra'il gathered a fistful of earth and deposited it at “Karbala” situated between Mecca and Bagdad.

Allah addressed Angel Izra'il,

*“With This Earth” you have brought “I am going” to create “Aatham” and from him “I am going” to create “Man”.*

*For “The Benefit of Man” In Truth “I am going” to create “Other Lives”.*

*Inside “The Earthen Pots” I shall enshrine “The Souls” created by “My Pure Grace”, In Truth “The Glow” of “The Life-Force.”*

*“Man” shall descend to “The Earth” and live there for “Sometime”.*

*“I Shall Place” within “These Earthen Pots” In Truth “The Five Elements” of fire, water, air, earth and life.*

*“As “A Clarifying Force”, I shall place “Aathi Muhammad” on “The Forehead” and in “The Heart”.*

*“I. Myself” shall be “The Essence” pervading “All Lives”.*

*“These Men” will live in “The World” for “A Short Time”.*

*I shall “Send You” to take “Their Lives” and “Bring Them” back to “Me” from “Earth”, because it “Was You” who brought “The Fistful” of “Earth”.*

*I shall “Return” to “The Earth” In Truth “The Same Earth” In Truth “Refined and Decorated”.*

**“You Should” carry out “My Command.”**

**“I shall “Place” one of “The Triple Flames” on “The Top” in “The Forehead” of “Aatham” and all “The Children” of “Aatham” shall have “This Light” of “Noor Muhammad” in “Their Foreheads”.**

**If “Noor Muhammad”, In Truth “The Eye” on “The Forehead” of “Aatham” (the third eye) looks at “Me”, In Truth “All That Is Mine” will “Be Seen”.**

**“The 2x7” ( fourteen) Universes” In Truth “I Have Created” and “Everything Therein” will be seen by “This Eye”.**

**Further, Izra'il, I have created “Paradise” for “Those Who Obey” In Truth “My Words”, and “Hell” for those “Who Disobey Me”.**

**I have “Written” on “The Tablet” called “La-hu” and “Ma-hu” In Truth “The Destinies” of “All Lives”.**

**Allah continued His address to Angel Izra'i,**

**“You Must Look” at “The Tablet” and see “Whose Life” has been “Erased” and “Take Away” that “Life”.**

**“I have “Created” In Truth “Four Faces” for “You”, In Truth “One Which” is of “Glowing Light”.**

**“You Must Constantly” watch “This Tablet” with “The Face of Light”.**

**“One” of “The Other Three Faces” is “Your Milky Face”.**

***“With “Your Milky Face” you must bring in “The Chariot” that is decorated with flowers,***

***|  
For those who have truly accepted Me alone and Muhammad;***

***|  
For those who have obeyed Me and worshipped only Me without any comparison;***

***|  
For those who have shown compassion, mercy, charity on all lives, loving all other lives as their own,***

***|  
For those virtuous men and virtuous women among the children of Aatham and from among those children,***

***|  
For those who emerge as Aalima and Olis, For those who know Me and conduct themselves accordingly,***

***|  
For those who through Aathi Muhammad shine as Noor Muhammad, As the gnostic eye and accept me with certainty, looking at Me with that eye.***

**“Another” of “The Other Three Faces” is “Your Black Face”.**

**With “Your Black Face” In Truth “You” must take the lives of all those who have abused Me.**

**All the sinners who have committed many sinful acts**

**And the eighty-four hundred thousand (84,00,000) insects and all cattle.**

**“Another” of “The Other Three Faces” is “Your Fire Face”.**

**“With “Your Fire Face” In Truth “You” must take away the lives of the jinns, fairies, ascetics, celestial beings and many others created by fire.**

**“I shall grant them “Paradise or Hell” according to “The Good Deeds” and “The Bad Deeds” committed by “Them”.**

**“Man cannot destroy the “Roohu” (Soul) I have created nor can it be created by him.**

**“The fistful of earth borrowed from the earth may be destroyed by those who obey “Iblis” (Satan).**

**“I have said that this fistful of earth may be replaced by a thousand fistfuls.**

**“Each fistful of earth will grow a thousand fold and form the human body mixed with flesh and blood.**

***“It will be a cage where my pure substance, the “Roohu” (soul) will reside. Aathi Muhammad and I will reside in this cage, the three of us.”***

**Allah continued to address Izrai’l,**

***“After a term, I shall send you to return to the Earth the fistful that was loaned from the earth.***

***“You should go to Earth and bring back my pure substance, Oh Israel.”***

**So said Allah these graceful words.**

**On hearing this, Angel Izrai’l replied,**

***“My Allah, You have created life and You decree that I should capture them. I fear to do so. My heart is afraid. It trembles with fear. You said that all lives should be loved as one’s own. You said that you would create Aatham from earth and from Aatham all the other man.***

***“When men live on Earth with attachment, affection and love, would they not curse me and would not evil and wrong come to me? You are the Entity that will punish me. Further, it may be that I would have to capture the life of a father away from his child. It may be***

*that I would have to capture the life of a mother away from her children according to Your Rule.*

**"Therefore, the children of Aatham will suffer and lament,**

***"Izrai'l has separated us!  
He has taken away my mother !  
Hey, sinful Izrai'l (Yama)!"***

***"Thus, if I take away any lives, I will be blamed.***

***"Therefore, O Allah, I do not want to do this task. O my Allah, please protect me from this.***

**Allah replied,**

***"O Izrai'l, do not be saddened by this. They will never attach any blame on you, for when I created this fistful of earth, I decreed that there would be inside this body four thousand four hundred and forty-eight poisonous diseases.***

***"At the time of creation, I have written on each fore-head the particular disease from which each person would suffer and reach Me. These diseases reside in the four thousand four hundred and forty-eight blood vessels. The blood that flows through veins; the heat and the fire that accompany the blood; the air that goes in the heat; the water that goes with air - these four run around, play, circulate and operate inside the palace built by the earth.***

*"I have created therein a place for each of the four to play around. They play and rest in their respective places in the palace and lie down and fall asleep. It is this state that is called "death" by man. If one of these lies down, it is referred to as a disease. You should be aware of this.*

*"I have also created the cattle and all other lives. I have similarly established this Rule (Fate) over all of them. I have established "Fate" in the life of man. It is written on his tablet. I have written in his tablet how men s' lives would be taken by goats, cow, stones, water, trees and in several other ways.*

*"When you look at the tablet of Mahu-hu you will know their fate. If it is written on the tablet that a man would be stung by a snake, you should change yourself into a snake and sting him. If a man is to die by a tree, you should stand as a tree and take his life. You should transform yourself appropriately and capture his life. I give you that power!*

*"If a man is to die of disease, you should make him fall sick and take away his life. You should take away life in the manner it is written in a man's destiny. Therefore, when you capture a life, neither Aatham's children nor other lives would blame you.*

*"People will speak of death by fever or death by a snake bite or any one of the four thousand four hundred and forty-eight diseases or*

***by a goat, cow or tree. No one will say death was due to you ! So you can perform your task with grace."***

So said Allah to Angel Israel.

It is happening today. Angel Izrai'l does not accept any blame. This is Allah's original command.

Son, Allah looked with His eye of Grace upon the earth placed at Karbalaa by Angel Israel.

Then this earth turned into clay like that of the potter's clay which had been churned for seven years. Allah gazed at it with His eye of Grace and the rain of Rahumath (Mercy) fell upon this clay, washing away its impurities and making it sacred.

Again, God looked at this clay with His eye of Grace and there was added to it pure gold, lesser gold, silver bronze, brass, iron and lead. These seven metals got sieved, melted and mixed together and out of this mixture, Allah fashioned the form of Aatham, Alaihi wa asalatu was-salaam. He created Aatham, the Angels and other celestial beings from within His Grace.

Having so created, God addressed His Angels,

***"I have created Aatham. You must all pay obeisance to him. He knows what you do not know. It s from Aatham that I intend to***

*create man who will reveal things that you do not know and perform many new miracles in the world.*

God's voice was heard by all the heavenly beings.

#### **04-A. “Your Quotation 04” - “You Believe ” In “Diseases And Accidents”**

On hearing this, Angel Izrai'l replied,

*“My Allah, You have created life and You decree that I should capture them. I fear to do so. My heart is afraid. It trembles with fear. You said that all lives should be loved as one’s own. You said that you would create Aatham from earth and from Aatham all the other man.*

***"When men live on Earth with attachment, affection and love, would they not curse me and would not evil and wrong come to me?"***

***You are the Entity that will punish me. Further, it may be that I would have to capture the life of a father away from his child. It may be that I would have to capture the life of a mother away from her children according to "Your Rule".***

**"Therefore, the children of Aatham will suffer and lament,**

***"Izrai'l has separated us!  
He has taken away my mother !  
Hey, sinful Izrai'l (Yama)!"***

***"Thus, if I take away any lives, I will be blamed.***

***"Therefore, O Allah, I do not want to do this task. O my Allah, please protect me from this.***

**Allah replied,**

***"O Izrai'l, do not be saddened by this. They will never attach any blame on you, for when I created this fistful of earth, I decreed that there would be inside this body four thousand four hundred and forty-eight poisonous diseases.***

***"At the time of creation, I have written on each fore-head the particular disease from which each person would suffer and reach Me.***

***"These diseases reside in the four thousand four hundred and forty-eight blood vessels.***

***"The blood that flows through veins; the heat and the fire that accompany the blood; the air that goes in the heat; the water that goes with air - these four run around, play, circulate and operate inside the palace built by the earth.***

***"I have created therein a place for each of the four to play around. They play and rest in their respective places in the palace and lie down and fall asleep. It is this state that is called "death" by man. If one of these lies down, it is referred to as a disease. You should be aware of this.***

***"I have also created the cattle and all other lives. I have similarly established this Rule (Fate) over all of them. I have established "Fate" in the life of man. It is written on his tablet. I have written in his tablet how men s' lives would be taken by goats, cow, stones, water, trees and in several other ways.***

***"When you look at the tablet of Mahu-hu you will know their fate. If it is written on the tablet that a man would be stung by a snake, you should change yourself into a snake and sting him. If a man is to die by a tree, you should stand as a tree and take his life. You***

*should transform yourself appropriately and capture his life. I give you that power!*

*"If a man is to die of disease, you should make him fall sick and take away his life. You should take away life in the manner it is written in a man's destiny. Therefore, when you capture a life, neither Aatham's children nor other lives would blame you.*

*"People will speak of death by fever or death by a snake bite or any one of the four thousand four hundred and forty-eight diseases or by a goat, cow or tree. No one will say death was due to you ! So you can perform your task with grace."*

Because In Truth "Your Beautiful Question" For "Your Life" of "Your  
God" of "Your Life" In Truth Contains "Your Secret Answer" (Your  
Sirr) of "Your Life" of "Your God" of "Your Life", if you like,**

**Bawa. That Is, In Truth Contains “Your Secret Answer” (Your Sirr) of “Your Life” of “Your God” of “Your Life”, if you like, That Is, “Your Secret Answer” (Your Sirr) of Why In Truth “You”, And Why All of My Children, Without Exception, Are Now “Not Moving Forward” On “Your One True Path” of “Your Life” of “Your God” of “Your Life”, if you like,**

**Bawa. That Is, “Your Secret Answer” (Your Sirr) of Why In Truth “You”, And Why All of My Children, Without Exception, Now “Mistakenly Believing” That You Are Now “Exclusively Moving Forward” On “Your Straight Path” of “Your Life” of “Your God” of “Your Life”, if you like,**

**Bawa. That Is, While In Truth “You”, And All of My Children, Without Exception, Are Now In Truth “Exclusively Moving Forward” On “Your One False Path” of “Your Beast/Satan” of “Your Life” of “Your God”, if you like, That Is, On “Your Other Path”, if you like, That Is, On “Your Path of Wrath” of “Your Beast/Satan” of “Your Life” of “Your God”, if you like, and that is for sure. Amen. Ok?**

**Bawa. So My Dearest Loving Children In Truth “Such” Is “Your Great Paradox” of “Your Life” of “Your God” of “Your Life”, if you like, That Is, That In Truth “Your Life” of “Your God” of “Your Life” Completely And Exclusively Belongs To “Your God” of “Your Life”, if you like,**

**Bawa. And Yet “You”, And Yet All of My Children, Without Exception, Are Now “Consistently Acting” As If “Your Life” of “Your God” of “Your Life” Now Completely And Exclusively Belongs To “Your Beast/Satan” of “Your Life” of “Your God”, if you like, “No Matter What”, if you like,**

**Bawa. That Is, “No Matter What”, if you like, That Is, “No Matter What” “Your God” of “Your Life” Is Now Showing And Telling “Your Life”, And Now Showing And Telling “The Life” of All of My Children, Without Exception, “YOUR ONE TRUE CONTRARY/ONE TRUE OPPOSITE” TO “YOUR ONE TRUE FALSEHOOD/ILLUSION”, if you like, That Is, That In Truth “Your God Alone Exists”, if you like,**

**Bawa. For Example, Yesterday Our Dearest Loving Son, And Your Dearest Loving Brother, “Your Shaikh Muhaiyaddeen” (Ral.) (AKA “Your Louie) Was Visiting With Our Dearest Loving Daughter, And Your Dearest Loving Sister, “Your Aziza Muhaiyaddeen” (Ral.) (AKA “Your Elizabeth Weiss”) Who Is Now Currently Living In Lewis, Delaware, USA, At Least For “The Winter”, Returning To Philadelphia, Pennsylvania, USA In “The Summer”, if you like,**

**Bawa. With “Your Aziza Muhaiyaddeen” (Ral.) From 8 PM To 12 PM, if you like,

Bawa. And During “Your 4 Hour - Plus” Wonderful “Wisdom/Truth Sharing” That Then Ensued (“Followed, Came To Pass”) In Truth Literally Changed “Your Life” of “Your God” of “Your Life” Forever”, if you like,

Bawa. That Is, In Truth Literally Changed “Your Life” of “Your God” of “Your Life” Forever”, if you like, That Is, Some of Which Is Briefly Summarized Below For “Your Edification” (the instruction or improvement of a person morally or intellectually: the idea that art's main purpose is to supply moral uplift and edification), if you like,

05-B-01. “Your Wisdom/Truth Point 01” - In Truth “Your Life” Is Larger Than “You”, Is “Huge”

Bawa. In Truth “Your Life” Is Larger Than “You”, if you like,

That Is,

|

In Truth

“Your Life” of “Your God” of “Your Life”

I  
is  
I  
“Huge”,  
I  
if you like,

(Note: See “Your Wisdom Discourse” Given By “Your Bawa Muhaiyaddeen” (Ral.) On “April 6th, 1972” For More On “Your Wisdom/Truth Point 01), if you like, Which You Can Now Purchase As “An Audio Cassette/Disk”, if you like,

of

|

“Do You Reach Wisdom”

Or

Is “Your Wisdom Reached”

By

Bawa. So *My Dearest Loving Children*, In Truth “Your Life” Is Larger Than “You”, if you like, that Is, In Truth “Your Life” of “Your God” of “Your Life” Is “Huge, Huge, Huge”, if you like, While In Truth “Your Current Selfish Personal Life” of “Your You” of “Your Mind” of “Your Life” Is “Tiny, Tiny, Tiny”, if you like,

Bawa. That Is, In Truth “Your Life” of “Your God” of “Your Life” Is “Huge, Huge, Huge”, if you like, That Is, “Your Life” of “Your God” of “Your Life” Is Much, Much, Much Larger Than “Your You” of “Your Life”, if you like, That Is, Is Much, Much, Much Larger Than “Your Current Personal Life” of “Your Monkey Mind” And of “Your

Dog of Desire” of “Your Beast/Satan” of “Your God” of “Your Life”,  
if you like,

Bawa. That Is, Is Much, Much, Much Larger Than “Your Current Personal Life” of “Your Monkey Mind” And of “Your Dog of Desire” of “Your Beast/Satan” of “Your God” of “Your Life”, if you like, That In Truth “You”, And That in Truth All of My Children, Without Exception, Are Now “Exclusively Experiencing” And “Mistakenly Experiencing” As “Your Only Possible Answer” of

“Who You Are”?

|  
of

|  
“Where You Are”?

|  
And of

|  
“What Is Happening” In “Your Life”

|  
if you like,

Bawa. So My Dearest Loving Children In Truth It Is “As If” You, And “As If” All of “My Children”, Without Exception, Have Been In Truth Somehow “Completely Brain Washed” Into “Thinking/Believing” That “Your Falsehood/Illusion” Is “Your Truth”, if you like,

**Bawa. And My Dearest Loving Children, In Truth “That” Is Exactly “What Has Now Happened” To “Your Life” of “Your God” of “Your Life”, if you like, That Is, In Truth “Your Life” of “Your God” of “Your Life” Has Now Been “Completely Brain Washed” Into “Thinking/Believing” That “Your Falsehood/Illusion” Is “Your Truth”, if you like,**

**Bawa. “We Know”, It Must Be Caused By “The Devil”, Right? Wrong!!!**

**Bawa. That Is, Right? Wrong!!!**

**Bawa. Wrong Because In Truth**

**It Is Not Caused**  
|  
**By**  
|  
**“Your Beast/Satan” of “Your God” of “Your Life”**,

if you like,  
|  
But **Rather**

It Is **Caused**  
|  
By

|  
For “His Divine Purpose”

Bawa. For Example My Dearest Loving Children As Explained In “Your Wisdom/Truth Point 01 And 02” In Truth “Your Life” Is “Huge”, if you like, That Is, In Truth “Your Life” Is Now “Your God’s Life” Happening Within “Your Life” Ending Within “Your God” of “Your Life” As Now “One”, if you like,
